is a member of the WWF-UK Forest & Trade Network
October 2008 – September 2009

Julia Young
Manager, WWF-UK FTN

David Nussbaum
Chief Executive, WWF-UK

Making a positive contribution to independent certification and good forest management

Membership of the WWF-UK FTN is not necessarily an assurance that all paper or wood products supplied by a member are from a well-managed source. WWF-UK FTN members are committed to increasing their wood and paper product requirements from sources that are credibly, independently certified as well as managed.

WWF-UK FTN is affiliated to:
