†concept/effects

**Concept/Effects Iridescent** range is a simple line up of papers, but with serious side effects... there's a hint of sparkle and a blush of colour.

The unique surface treatment of this product interacts with the printed image and shows through the ink to create a very special and highly original effect. Great results can be achieved by following our full guidelines and recommendations. These can be found on our website: [www.conqueror.com](http://www.conqueror.com)
